WHAT WE DO

☁️ **Cloud & Infrastructure**

Cloud migration, SD-WAN, managed services, and infrastructure optimization across 500+ vetted vendors.

📞 **UCaaS & Communications**

Unified Communications, VoIP, contact center, Phone systems and POTS replacement for legacy copper sunseting.

📶 **Indoor Cellular / DAS / NaaS**

Eliminate dead zones with managed in-building cellular and networking. NaaS at zero CapEx.
"Set-it-and-forget-it solution"

🔒 **Cybersecurity & Compliance**

CMMC, DFARS, GCC/GCC for DoD. EDR, SIEM, MDR, XDR, ALL THINGS Cybersecurity

🤖 **AI & Automation**

Enterprise AI tooling, workflow automation and Ai development high-ROI Ai tailored solutions.

⚡ **Energy & HVAC Efficiency**

Tech-driven energy, water, gas air and HVAC optimization—cut utility costs without capital investment.

HOW WE WORK

1 **Discovery**

We perform a Strategic Advisory Brief of your technology and energy contracts, usage and identifying overspend—all at no cost to you

2 **Strategy**

We align your goals for cost, compliance, and performance with the ideal solutions from our comprehensive 500+ vendor network.

3 **Delivery**

We oversee full implementation and provide ongoing support — as your advocate, not a vendor's rep.

COMMON QUESTIONS

"We already have vendors in place."

We often find 25–40% savings hiding in existing contracts. A second opinion costs nothing.

"We don't have a consulting budget."

There's no fee. Our compensation comes entirely from the vendor side.

"We're mid-contract."

There's no need to wait. We analyze your current position now to uncover immediate efficiency gains + cost savings and build a roadmap for maximum savings at your next contract milestone.

WHY BH TECH GROUP?

100% Vendor-Agnostic

Our recommendations are always in your best interest. We are a **TRUE** Trusted Advisor.

No Cost. Real Savings.

Our advisory is completely free. Clients consistently see an average 33% reduction in tech and energy spend.

500+ Vendor Ecosystem

We match the right solution from a massive, pre-vetted marketplace of cutting edge technology and energy providers.

15+ Years. Proven Results.

From Mid-Market to Enterprise — Cloud, UCaaS, Cybersecurity, AI, indoor cellular, network and energy.

Your Advocate. Not a Vendor.

We're not a MSP or a VAR. We manage relationships, source vendors, find efficiency gains and cost cutting opportunities staying engaged to ensure long-term success.
